HU, A Love Song to God

You have the potential for greater happiness, love, and understanding. Singing HU can bring these to you—through the Light and Sound of God.

Throughout the ages, followers of many spiritual traditions have used prayer, the singing of holy words, and meditation to bring themselves closer to God. In the same way, those who have discovered HU, an ancient name for God, sing it for their spiritual upliftment.

Regardless of your beliefs or religion, you can sing HU to become happier and more secure in God's love.
