

ECKANKAR Presents:

THE ART OF SPIRITUALITY

Hearing the Secret Voice of God

Tennessee Regional ECKANKAR Seminar

★
Friday through Sunday: June 12–14
Holiday Inn Knoxville West, Knoxville, TN

What happens at an ECKANKAR Seminar?

Heart-filled Stories. Eckankar is built on experience! Books, philosophy, and doctrine have their place, but it is personal experience that makes a thing real and brings it to life. And often the greatest discoveries into love, happiness, and truth, will come from the simplest moments in our daily lives—if only we have the eyes to see it—and a willing heart to embrace it. The seminar program is filled with people like you sharing stories that may inspire your own journey into a grander spiritual awareness.

Workshops to Go Deeper! Five different workshops will be offered throughout the weekend. An ECK workshop offers two avenues of discovery. Outwardly, you'll gain insight by interacting with others, sharing experiences, questions, and ideas. But then, to look inwardly, you will be introduced to the Spiritual Exercises of ECK. Exploring both the inner and outer parts of yourself acts like a golden key to help unlock the mysteries of your life. Eckankar teaches that you are a unique expression of God's love. A spark of God!

Creative Arts, Discussion, Sharing, and Fun! Music and humor will be sprinkled throughout the program, lest we take ourselves too seriously. There will be an art display with works from ECK students from around the region. And there will be plenty of time to chat, chill, and laugh. **And see the back page for Youth Program information.**

ECKANKAR, The Path of Spiritual Freedom

Each Soul is on a journey of Self-Discovery and God-Discovery. With every step forward, we enjoy greater release from the limitations of mind, emotions, karma, and reincarnation.

With this freedom comes responsibility, wisdom, and unconditional love.

God's Love in Action

*Divine Spirit is Light and Sound—
God's love in action. This is the Voice
of God which can be heard, seen, and
felt as Truth, Love, and Beauty.*

—Harold Klemp

Guest Speakers: Jon and Ilona Goin

Jon Goin grew up in Missouri, where he found a love for music at an early age. He discovered the ECK teachings in college, and later moved to Nashville to work as a studio musician and songwriter. He is an audio engineer and has worked at the Eckankar Spiritual Center in Minnesota for 36 years.

Ilona Goin was raised in Norway, where she spent time in nature and at the opera, and became a member of Eckankar. She studied classical music and art before moving to the United States to teach. She has been the archivist at Eckankar for more than three decades.

Both are passionate about Soul's spiritual journey home to God, and love to help others recognize their divine nature and spiritual potential through *Eckankar, The Path of Spiritual Freedom!*

Youth Program (ages 5-17)

"Each of us is Soul, a unique spark of God on a journey to

- discover who we truly are,
- learn how to give and receive divine love, and
- return home to the heart of God.

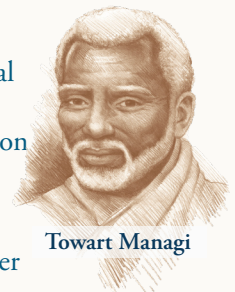

That's what the school of life and the Spiritual Exercises of ECK are all about."

—Harold Klemp,
The Wonder Within You

The youth program times will match the main sessions of the seminar. Each session will focus on discussion, crafts, and one of the spiritual exercises from the book, *The Wonder Within You*. Each session will also focus on one of the ECK Masters.

In this way, the crafts, discussion, and spiritual exercise will all flow together naturally to help the youth see things from their daily lives in a brighter spiritual light, or to gain a practical solution to a challenge they might be facing. And of course, to give them a space to have fun!
